Global Pest Control Products

Personalisation Process

1

Send us your logo or anything else you want on your clothing.

2

Our graphics team will create your design and send you a digital mock-up.

3

Once you've seen and are happy with your design, simply confirm the proof by e-mail.

6

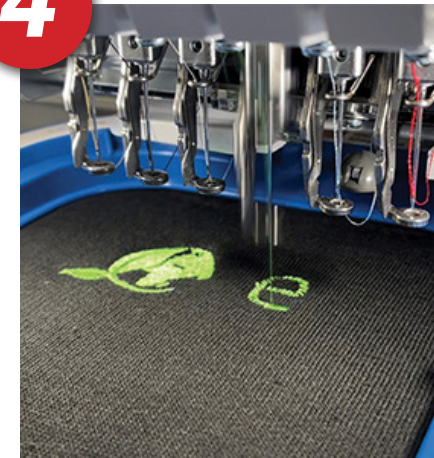

You will receive your clothing in 7 - 10 working days from design approval.

5

Once your item is finished, it is quality checked to make sure it looks its best.

4

Our technicians will load your clothing into our embroidery machine and start stitching.
