

COSHH Risk Assessment No:

Product Name:.....

Registration number – HSE

Appearance –

Describe the activity or work process.
(Inc. how long/ how often this is carried out and quantity substance used)

Insecticide for the control of insects by a professional person. Application rate up square metres through a pressurised sprayer. Only to be used to treat active insect populations. Contains an insect growth regulator.

Location of process being carried out?

In and around domestic properties, public buildings and food handling establishments. Not to be used on sewage works filter beds

Identify the persons at risk:

Employees

Sub-contractors

Public

Name the substance involved including active ingredient, in the process and its manufacturer.
(A copy of a current safety data sheet is attached to this assessment)

Active Ingredients –

Classification (state the category of danger)

May cause damaged through prolonged or repeated exposure

Irritant - dermatitis causing

Extremely Flammable

Toxic – if swallowed

Sensitising

Highly Flammable

Corrosive

Biological

Flammable

Harmful - if swallowed

Oxidising

Safety Phrases:

S1 Keep locked up.
 S2 Keep out of the reach of children
 S7 Keep container tightly closed
 S13 Keep away from food, drink and animal feeding stuffs
 S20/21 When using do not eat, drink or smoke
 S23 – Do not breathe gas/fumes/vapour/spray
 S26 – In case of contact with eyes, rinse immediately with plenty of water and seek medical advice S29
 – Do not empty into drains
 S/36/37 Wear suitable protective clothing and gloves
 S38 – In case of insufficient ventilation wear suitable respiratory equipment.
 S44/S45 In case of accident or if you feel unwell, seek medical advice (show the label where possible) S49/
 S35 Keep in original container and dispose of in a safe way
 S57 Use appropriate container to avoid environmental contamination
 S60/S35 This material and its container must be disposed of as hazardous waste
 S61 Avoid release to the environment. Refer to special instructions / safety data sheets
 S62 If swallowed, do not induce vomiting : seek medical advice immediately and show the label or container

Is health surveillance or monitoring required?

Yes No
